the First Friday after the committee meeting**

Chairman's Report

The 2022 year has flown by and here we are back in that time of year "Christmas"

A lot has happened on our club scene over the past year a lot of it good and some not so good;

We have had one or two members pass on sadly, and several members with bad health having hospital stays recently. I trust you are all perking up again on the mend and we will see you at club events soon.

The parts shed fire was a big disappointment to us all but thanks to Tris and his loyal team of helpers they are pretty much on top of the clean out, sort what is salvageable stuff and what is rubbish. This means it won't be long before the building remains will be demolished, site cleared ready to build again. I think it was 2005 the Trevor May shed was built, if I am correct that shed only survived 17 years, but as we found out fire is our biggest enemy. So we will start all over again, a new and better shed, with better organisation for storage, better lighting, better doors etc. and I guess there will be lots of cleaning of parts and storage once the containers are emptied back into the new shed. Another job to look forward to.

The insurers, I understand have worked well with Tris and Chris to make the job of retrieving what we could easy, without to many health and safety issues.

A huge thank you to Tinto Containers, Mitre 10 and all who assisted with the clear out. It was timely that the club had just updated the insurances, when the fire happened.

The club is in good heart, we and other organisations are getting good of our facilities, our finances are Ok and Dale and her team has catered well for us on Wednesdays and various other events through the year.

The clubs older JD ride on mower has been sold, the grounds are looking great, we have had some great runs and visits, so all in all a good year.

Thank you again to all who help within the club, the committee, kitchen staff, newsletter, beaded wheels, grounds ,gardens, lawn mowing, parts guys, buildings, museum, security, vehicles and those who do all those unseen jobs. Thank you to all those who have had the courage to stand and speak on a Wednesday morning, entertaining us with their life's stories etc etc. etc. I hope I haven't missed anyone, apologies if I have you are all very much appreciated.

As We look forward to a great 2023, May I wish you all a very Merry Christmas ,a Happy new year and a peaceful and restful and enjoyable time with your families.

Cheers Rob.

Club Captain's Report

It was nice to see the great turnout of members to our last noggin and natter, and the array of Christmas puddings you all brought along was awesome.

Unfortunately the picnic run to Awatere was cancelled due to wet weather, but most of the members that had their names down still met at the Clubrooms and enjoyed the leftovers from the noggin night, some DVD's and a friendly chat . Just proves you can turn things around when we have such a wonderful venue - our Clubrooms.

On Boxing Day if you are left on your own with nothing to do, I have organized a run to Don and Kay Registers property. Meet Clubrooms 10.30am, bring your lunch and picnic chairs. If you want to BBQ your lunch there will be one available for you to use.

Thankyou all for supporting the outings over this year.

Merry Christmas and Happy New Year to you all.

And we will do it all again in 2023.

Catherine Millar.

Secretary's Scribblings

Here we are in the last month of the year and as I write this Christmas is just 22 days away.

I don't know about you, but this year seems to have gone by very quickly. Lets hope 2023 is a slower year!

We had our committee meeting a week early this month, in fact on the last day of November, mainly so the newsletter is out sooner in the month so you can all plan your time over the next month.

The Branch Wednesday smokos will finish on Wednesday 14th for the year and we will have a few weeks off until our first smoko will be the 11th January which will also be our 1st committee meeting for 2023.

From our committee meeting;

Our finances are in a very healthy state, and we have a term Deposit to be renewed. Last year the interest rate was about 2% and this year it will be reinvested at greater than 5%.

Things are slowing down towards the end of the year, and Cath has a picnic run on boxing day to the Registers at Onamalutu for those of you who might be on your own, to eat up your Xmas left overs.

Planning is underway for Heritage Day on 6th February next year and there is a request for helpers on the day, so don't be shy.

The main thing around the grounds is sorting out the shed after the fire and Tris and his team have worked well to get this cleared away so the burnt shed can be demolished and a new one built. There have been close to 500 hours of work put in by members to get this work done, so thanks to all who have helped along the way.

The two lots of Insurance people have been easy to deal with and have been very helpful.

We had a visit from John Leggett who has agreed to become our honorary solicitor. John spoke to us about our constitution and it was explained that the national VCC constitution is having a rewrite because of changes in the Incorporated societies Act. John has indicated he will be happy to help us with the review of this once it has been released.

There was a discussion on the use of the branch owned vehicles. It was decided that a sub committee be set up of the Custodians of the vehicles, along with the secretary and Club Captain to come up with a policy which will be voted on at our AGM in May.

We feel that with the age of these vehicles, and the costs of keeping them on the road we need to look at this. It may be that they will be only available on special occasions, and only driven by the custodian, or another qualified person. Anyone with any views please contact me.

That's all from me for 2022. I hope you all have a great Christmas, and look forward to a fantastic year of heritage Motoring.

Chris Bird

New Member:

Peter Satherley has transferred into the Branch. Peter has a collection of early Chrysler cars as well as a Plymouth Coupe and a Ford V* Commercial.

Welcome to the branch, Peter, we hope to see you out and about at our events.

Update from Your Kitchen Custodian

Here it is that mad month of the year, (December) with the xmas parties, shopping and all the stress with it.. November was rather a busy month with xmas dinners and December is shaping up to be the same. Our club xmas natter & noggin was a very successful night, the pot luck desserts were amazing. We struggled to get everything on the table.. Thank you to you all.

A big THANK YOU to the LADIES that have helped in the kitchen through out the year. I know I am getting ahead of myself but as you know the days seem to fly by. On the 6th February it is Heritage day and we will again be asking for donations of baking. If you are travelling over the holidays to friends and family drive safely.

I would like to WISH YOU ALL a MERRY CHRISTMAS and a HAPPY NEW YEAR.

Cheers Dale

From the Blokes in the Shed...

SHED FIRE

Over the last 21 weekdays a hardworking dedicated team of members and volunteers have toiled endlessly to remove the total contents of the main parts shed prior to demolition. This sometimes has been heavy gut wrenching work in an unpleasant environment, in particular shifting the many, many pallets of at least 100 engines plus gearboxes and literally thousands of smaller items all transferred to two 40 foot shipping containers and other undamaged sheds. A very necessary part of this process has been the evaluation of recoverable stock and disposal of damaged items and also careful documentation of discarded parts. The documentation and photography ably undertaken by Neville and Linda, thank you both for your professionalism.

Despite the devastation of the fire over the last few weeks some commerce has occurred so we are still open for business. We now look forward to the new building to be built along with all new steel shelving, then we can shift everything back AGAIN!! A big thank you is also owed to Trevor for supplying us with smoko every morning.

Ideas and suggestions to what should be included in the new build are welcome.

Thank you, **Tris Winstanley**

VOLUNTEERS LUNCHEON

Fine fare was produced and enjoyed by all.

Motorcycle Report

November Sunday 20th ride was planned to go to Canvastown, for several days prior to the 20th the weather varied from heat to several inches of rain. Then the skies cleared and the sun shone, then it rained again. The situation at Canvastown was the same. For several hours the ride was off and on as regular as a baby's napkin. Finally, it was decided to play it safe and settle for lunch and a get together in town. Graeme and Trev turned up at the park and Ben, Colin & Trev had lunch at Fairweather's.

Good to see some motorcycle section members helping out with the spare's recovery team.

Motorcycle Calendar

Sunday 18th December

Leave park at 11am for ride to The Trout Hotel

National Veteran Rally

February 2023

WHEN: Friday 24 – Sunday 26

WHERE: Rural Tuakau, Franklin
bordering north Waikato, 56 km south of Auckland

ENQUIRIES: Barry Birchall

barrybirchall@xtra.co.nz

Tel. (09) 8188755 or 0277225225

Open to all veteran vehicles manufactured before 1918, with VIN.

Hosted by Auckland Branch

National Veteran Rally 2023

Fri 24 - Sun 26 Feb Hosted by Auckland Branch

Based in rural Franklin in Tuakau, 56km south of Metro Auckland

Registration open to all veteran vehicles manufactured before 31 Dec.1918 VIC required.

The rally is based in the expansive grounds of LaValla Estate less than 2km from the historical small township of Tuakau. Tuakau is located in the district of Franklin. Franklin lies between State Highway 1 and the west coast and is known as the breadbasket of Auckland, growing potatoes, vegetables, and other products on its rich volcanic soils. The area offers great motoring country for veteran vehicles.

To reach Tuakau and LaValla, those coming from the south can leave the Waikato Expressway (SH1) at Pokeno, just south of the Bombay Hills. Those coming from the north exit the motorway at Bombay.

The registration fee covers: 'Meet & Greet' breakfast; light refreshments at start and finish of each day's run; three lunches; final banquet dinner; Movie Night (in the small cinema at LaValla); Rally Pack and plaque.

Key Dates

The event runs over the last weekend of February, the weekend following the Art Deco Festival in Napier. The rally commences on Friday morning with registration from 8.30 and breakfast and rally briefing from 9.00 to 10.00, ready to depart on the first day's run at 10.30. The rally concludes with a celebratory dinner and awards on Sunday evening.

Rally Headquarters

The rally is based at LaValla. Registration, the first 'Meet & Greet' breakfast and the final dinner are held at LaValla. Each day's run departs and finishes at LaValla with light refreshments. There will be ample opportunity to catch up with old friends and meet new friends in a beautiful, relaxing setting.

LaValla has an interesting history as a former Marist college, now in private ownership. It is less than 2km out of the township of Tuakau, made up of well-maintained and expansive grounds (109 acres) overlooking rural countryside. LaValla provides a secure site where veteran vehicles, modern cars and trailers can be safely parked for the duration.

There is limited accommodation at LaValla, and more accommodation is also available at the nearby boutique Tuakau Hotel. Other options are the motels in Pukekohe and Pokeno.

David P: 03 5794716

1936 MORRIS 8 SERIES SPORTS

The vehicle is being sold reluctantly and was restored by Russel Newal in Gore. Purchased in 2005 the vehicle has done 1534 miles since then. There have been periods when it has been off the road. It has a Series E motor and 4 speed gearbox and the original motor and gearbox to go with the car. Registered and WOF are current. Arfa Anderson and Owen Packham are familiar with the vehicle.

Asking Price \$20,000

Graeme Haymes P0274922997 / 03 578 7303

Motorcycles for Sale

Jawa 350 Twin Sport 1987

Overall it is in good condition, complete and very original. I have quite a few useful spares, including tank transfers and engine parts, all included.

Fully road legal and a nice easy bike to ride. Go and lay a few smoke screens! I restored it around 20 years ago and it is now tired, but loveable, time for me to move on.

Paul Radmall. 027577 8328

1967 HONDA CD 175

I purchased this bike recently but too many other activities and enjoying my 1954 AJS takes most of my riding time. So rather than have this really good Honda sitting in the shed it is for sale. This is a surprisingly good machine.

- NZ new, registered Jan 1967 and has only 4 owners - including me.
- Recorded mileage is 5,550 miles.
- It is in excellent condition with electric start and kick start. Fires up easily and cruises comfortably.
- Has current WOF and Reg.
- I have had the bike checked over by local expert Graeme McClintock, and it came up well. No issues of note.

\$4,500

My hope is that it might find a good Blenheim home.
