Chairman's Report

Hi Team,

WOW another month gone and (haha) closer to Christmas.

All things around the branch are to quote Bill Nicolas “ Ticking Over Well”. Haha

Catherine and Kevin have been keeping the gardens tidy and groomed, the bank behind the sheds where the trees were removed they have replanted with various plants and shrubs. John and his mowing team are keeping the (grass) no, I'll call it the “Lawns” now it looks so good; after the spraying and reseedling has successfully changed Patchett's Green.

Tris's spares team have their new shed well under way and continuing to do business while awaiting its completion.

Dale has a list of catering heading into the Christmas period,, so it seems we are all ok and progressing well.

Others have no doubt been carrying out other tasks, Thank you all.

Our thoughts go out to several (no need to mention names) of our members who are or have been visiting the hospital recently, there have been 5-6 we have heard of so our best wishes to those concerned for a speedy recovery.

There are also a few members or wives of members whose age or health Issues are unfortunately taking their toll in various ways. Please be assured you are not forgotten and we do send our best regards to you.

Friday night past Chris and I attended an evening in Renwick hosted by Rural support. The visiting speaker was Matt Chisholm who was a TV / producer / treasure island / celebrity, who moved on from his TV career after bad major work / life issues. He was interesting, informative and very entertaining holding his audience attention for some 2-3 hours.

Matt continued his weekend in Marlborough being the MC at the Marlborough A&P Show, spending his time over two days using the

microphone and constantly moving around the various sites, stalls, animal owners ,judges and public, talking to them ,and relating back to the public over the speaker system, humorously entertaining them on all that was going on at the show. He did a great job.

Our branch participated in the show having a display of vehicles: Renault, Buick, Chrysler, Dodge, Brush, Chevrolet, Ford Model T and four Ford Model A's, plus an AJS and Ace motorcycles. We were allocated a tight excellent spot to promote our branch and vehicles. Thankyou to all those who participated. The weather was great and overall a great well public attended event.

Incidentally, ponder on this on a recent count of known Model A Fords in Marlborough we came up with 37 and another possible 3or 4 lost track of... could Marlborough possibly hold a record for the most A,s in one town?

Catherine has organised a Christmas Train Trip, followed by BBQ tea back at the club and the second best part (other than the Train, Food and Camaraderie) is it's a free, complimentary Christmas outing, so there's no reason NOT to come along and enjoy the afternoon / evening. Let's fill all the carriages.

Well Folks that's all for now
Cheers Rob.

Linda Laing received her New Zealand citizenship at a special function held by the Marlborough District Council function held on the 3rd of November.

Congratulations Linda!

Club Captain's Report

Hello,

Not much to report on this month.

I went up north to family for the school holidays, then back to Christchurch for the Canterbury Branch Swap Meet. I hadn't been to a swap meet for over ten years, I bought a concrete toadstool for the garden and caught up with a few old faces, or should I say older faces. We stayed at the Riccarton Racecourse Hotel and Motor Lodge. I can recommend this, a studio unit \$120 per night with meals/bar available on site.

Our 2024 Calendar is being printed.

The bank behind the compound has been planted in natives and in time should look lovely for travellers on the Riverside Railway Train, but also complete our area up there.

Our run for November is out to Linkwater (Queen Charlotte Tavern) for lunch on the 19th (names down please) or give me a ring.

To our Members having various health issues – we extend our best wishes to you.

Cheers Cath Millar

Secretary's Scribblings

Well, here we are, only about 7 weeks till Christmas. Who would have thought that 2023 would have gone so fast and we are also only three months away from the National Vintage only rally to be hosted by our Branch in early February. If you have a pre-1931 car and would like to take part, fill in an entry form and be part of a great few days of Vintage motoring.

From our Committee Meeting last Wednesday.

The Brayshaw Heritage Park Association is looking at installing extra security cameras around the Park and we await the cost estimates from the suppliers who have been approached to quote the job.

The shed rebuild is underway, but it does make one wonder how long it will be before the job is complete, as it seems there is no rush from the contractors to get on with it, as there has not been much down over the past week. Tris and his team have been obtaining quotes from suppliers of shelving for the new shed which should be paid for by the insurance contents policy we have.

There will be a post and rope barrier installed around the edge of Patchett's Green along the northern side above the Clubrooms. This is so those with poor eyesight will hopefully not drive their cars over the edge and into the garden!

Cath has been planting up the bank behind the sheds where the large trees were removed, with suitable native plants which she has now completed. Thanks to Cath for this, which will enhance that area in keeping the grounds tidy.

Dale and her kitchen team are going to be very busy over the next month with catering for meals for groups which used to use the Clubs of Marlborough facilities until they closed down. It seems that our facilities are one of the few available in Marlborough to help with these events.

This is a good fund-raising activity for the Branch and consequently, Dale is looking for helpers for the kitchen. If you have a bit of time, please offer to help and MEN CAN DO DISHES, so do not be shy. If you want our club to be able to supply what we do to you as members, please put something back by helping and not leave it to someone else, or the few that are always there. Otherwise, the provision of morning teas with scones and biscuits might need to come to a halt.

Thanks to those members who put their cars up for display at the Marlborough A&P Association 150th Show over the weekend.

Have a great month of Heritage Motoring.

Chris Bird

Blokes in the Shed...

After my excursion to the USA Hershey swapmeet it was encouraging on my return home, to see the new steel shed structure proceeding with, at the time of writing awaiting the roof, wall cladding and door installation.

Quotations for steel pallet type shelving are coming to hand and as soon as the insurers have approved the purchase orders can be placed.

October sales were ok despite the conditions of working from shipping containers and enquiries from our beaded wheels advertisement are consistent .

Cheers, **Tris Winstanley.**

Update from Your Kitchen Custodian

Nearly another year has passed us by. Each year seems to be getting shorter or I'm slowing up.

Another good evening for our natter & noggin' which was a bangers and mash night with twenty-six people enjoying the meal and each others company.

Since the clubs of Marlborough closed we have had quite a lot of requests to cater for the 'silly season' Christmas functions. These are a good fund raiser for the club, but we could use a few more helpers in the kitchen. There are mid-day meals as well as evening meals.

In November we have an evening meal (25th Nov.) and two lunches (26th & 27th Nov.)

December: two Lunches (7th & 12th) and five (5) dinners (5th, 8th, 9th, 14th & 15th).

If anyone could spare a couple of hours either to help prepare the food or help with the dishes after it would be very much appreciated. We do have a lot of laughs and meet a lot of people. If you can help please contact me on 021 026 57507 and if you can advise me the date you would be available again would be appreciated.

November Natter & Noggin is Friday the 24th -- It is a finger food night \$20.00pp

Cheers Dale

Motorcycle Report

Trying to beat the weather is proving a bit frustrating.

The Sunday run was supposed to be to Kekerengu but with strong winds forecast and a road warning advising not to ride motorbikes on the east coast it was decided to play smart and go to Havelock. Where it decided to blow and forecasted with heavy rain.

With plan A and B bugged plan C was enacted which involved all six of us going to Fairweather's for lunch. Mindy and Steve got to ride in through the wind and ride home in the pouring rain, sorry about that. Fortunately, the weather came to the party for the November Wednesday run with 12 bikes and the sun out, Ben organised a run around lower Wairau with tea at Grovetown, all bikes made it with Ben and Dale on their Honda step thru and Vespa respectively leading the way.

In between runs Zig and Colin attended the Dunvegan rally, there was also the Canterbury swap meet where some more goodies for on going bike restorations were acquired.

Unfortunately, a couple of our riders have been sidelined recently we wish them all the best in their recovery.

Glenn

Motorcycle Calendar

Ford Model 40 Convention March 8-10 2024 Solway Park at Masterton

1932 Ford Phaeton Roadster (Ford Motor Company)

If you own a 1933 or 1934 Ford, you'll want to be a part of the Model 40 Convention to be held **March 8-10 next year**.

Celebrating 90 years of this beautiful model Ford, the event is open to both original & modified examples, but is **limited to 100 entries**.

Having hosted past vintage and hot rod events, including Deuce Days for the 1932 Fords, the venue at Solway Park at Masterton is perfect for this sort of event.

Trust House & JRI Insurance have come on board as major sponsors, and registration is open now. For more information follow the event on the **1933/34 Ford New Zealand** Facebook page.

Expressions of interest and requests for registration form to magoos@xtra.co.nz.

Enquiries to the convenor; Lloyd Wilson 021-436-432

PS: Whether or not they can attend we would still be interested in hearing from owners, as we have established a register of 33/34 Fords in New Zealand.

Also, we will be producing special anniversary plaques which will be available to Model 40 owners.

North Island Club Captain's Tour 2024 2 - 11 March

Welcome to my first tour as Club Captain! I trust you will enjoy your time in the Lower North Island where we will visit and enjoy the hospitality of five VCC Branches - Whanganui, Hawkes Bay, Central Hawkes Bay, Wairarapa and Manawatu.

British Car Museum.

The all British Car Museum which was situated at Te Awanga, Hawkes Bay ceased operation a few years ago after the death of it's founder Ian Hope. Ian started collecting Morris Minors in C1970s/80s for family members. When he ran out of family members to buy for he continued to buy the little cars as they were too good to be just left there. Most of these cars were reasonably priced at the time and there were lots of them around which prompted Ian to set up the Morris Minor Museum on the site which later became the British Car Museum. At it's height the museum housed over 450 cars and was world renowned. At that time it is thought to have been the largest collection of British cars in the world.

Over a long period Ian collected a large number of British cars of all makes and ages. They included small veteran Austins to large late model Rolls Royce's and everything in between. Some are in very rough condition while others are in very nice condition.

After Ian's death the family began selling the cars and recently sold the entire property with over a hundred cars still in the sheds. The new owner wishes to sell the remaining cars and invites anyone who is interested in purchasing any of these cars to contact him before the end of November to view the cars and "do a deal". All the cars will need attention to some degree.

Any cars still at the venue after November will be sold by Turners Car Auctions.

All the cars were stored on axle stands and these are also for sale at \$30.00 a pair.

The current owners contact details are: Dave 027 437 6073

WANTED

MG VA Tachometer Drive Reduction Box

This is a 2.66 : 1 ratio and is the same as the one fitted to the TA. I have the gears and drive parts; therefore,

I would also consider the 2.25 : 1 ratio box as fitted to the TC/TD models. I need a box with good front and back castings thank you.
