Chairman's Report

Hi Team ,

welcome to February and once again I've needed a reminder to write, as another month has shot by, a busy month lots on, but it has been an " old time Marlborough Summer" lots of sun, heat, bit windy at time and lots of swimming.

We've had the Model A s out a few times ,to the Weihai run, a very good outing and great to take Dexter and Sharron with us for the day, and Thankyou Bernard and Jo for hosting us.

The past week has been full on with the Vintage only rally combined with Heritage day in Brayshaw park. These events brought 43 entrants from north and south and local, who all enjoyed our countryside, our Heritage open day in the park, and of course our branch hospitality. One or two mechanical and health issues caused problems for a few, and this morning after club meeting at the park some headed north to the Art Deco in Napier, and others headed south to others events.

Thankyou to all who participated, and who helped out in any way with the weeks events, and thanks to Chris, Catherine, Kevin, Dale and your helpers for great organisation.

This was our first "Vintage Only" rally and it will be repeated same time next year but it will be " Veteran only " rally, something our branch has not held for many years. Let's hope good promotion of this event will bring in a great response of cars and visitors to our region.

Watch closely for our branches next exciting outing.

That's all for now, as I have to rake hay, also wash the Model A, thanks to Chris for the very dusty roads we travelled yesterday.

Keep enjoying the summer, and our outings.

Cheers Rob.

Club Captain's Report

I hope you are all surviving this hot weather we are experiencing at present. Great for motoring with the roof down.

We had a run to Bernard and Jo Masons property up the Avon Valley at the end of January.

Bernard had organised some questions on the way up there and a table of interesting items for Members to identify. The toffee cutter and musket ball maker proved to be the most difficult to work out. Jim and Jean McLean had the most correct items.

After Bernard had given us an interesting outline on the history of his property we were welcome to have a look around his sheds. A barb wire collection, an old bottle collection, tobacco tins, sheep dip signage, just to name a few. We were also able to look at the portable tiny houses/sleepouts that Bernard and Jo build up there. The ladies had a walk around Jo's dahlia beds with many different varieties on show, not easy in the dry conditions and very limited water at this time.

Thank you Jo and Bernard for a great day.

Another successful Heritage Day has been had. Thanks to everyone for your help on the grounds or food and help in the kitchen on the day.

This also considered with the 2024 National VCC Vintage Rally and the entrants displayed their vehicles for the public viewing. And from what I have heard the entrants, all VCC members from around the country thoroughly enjoyed their Heritage Day experience.

Remember - Keep up your fluids during this hot weather.

Cheers Cath Millar.

Secretary's Scribblings

Well summer has sure come this year and isn't it great to get out and do our vintage motoring in these conditions. We have had some wonderful runs, so thanks to Club Captain Cath for organising these.

The majority of our time over the past few weeks has been organising the National VCC Vintage Only rally. This was held last week starting with a noggin and natter on Monday evening, Heritage Day with a car show, field events and a fashion parade, and Wednesday we had the rally, down towards Seddon and some really great vintage motoring roads, with lunch provided by Seddon School, and a visit to Rons Toy Shed. Then a dinner at night and a few awards presented for the event. All the comments were very positive, and all we wanted to do was put on an event which the participants would go home from and talk about for some time to come. The next major event is the National Veteran rally, same place, same dates next year.

We had our monthly committee meeting a week early as it would have clashed with the rally.

The Shed is finally finished, and we are just waiting till the code compliance Certificate to be issued.

The floor has been painted, the shelving has been installed, along with the new security system, and the chaps up there are in the process of putting parts back in.

The next job is a request from the chaps in the electrical shed to have something done about the condensation from the roof in the winter.

The grounds are being irrigated but being so dry it is not responding well, and we await the autumn rains!

Cam Keown and Trevor Harris were presented their 50-year awards on Heritage Day, by Andy Fox, Management committee member from North Canterbury.

The area behind the sheds needs a tidy up. PLEASE DO NOT BRING TYRES UP TO THE AREA, as these cannot be recycled and there is a

charge of at least \$5 to get rid of these, a cost all club members have to bear.

Have a great month of Heritage Motoring.

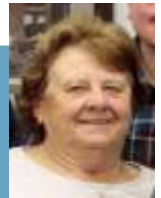

Chris Bird

New Members,

Grahame Fletcher,

Joanne Mason, Joint with husband Bernie, Avondale Road Waihopai. Welcome to the Marlborough Branch. We hope to see you out and about at some of our events.

Update from Your Kitchen Custodian

Hard to believe one month of 2024 has passed us by already, I hope you have all managed to keep cool in the very hot weather we have been having with more to come.. Not a lot happened in January with only the natter & noggin with approximately twenty-six people and a great variety of food, enjoyed by all.

We have had the first week of February and it has been very busy in the kitchen, with the Vintage only Rally and Heritage Day, Monday was a finger food meal for the registration night and then we had Heritage day on Tuesday and again this was very successful also I would like to THANK every one for their donations of baking.

Then on Wednesday the vintage only rally dinner, enjoyed by everyone. I would also like to say a huge THANK you to the ladies that came and helped make sandwiches and keep the tea, coffee and WATER flowing on Heritage day.

Wednesday" WHOOPS" Thursday morning tea was attended by some of the rally entrants and our local members, approximately fifty-four members who enjoyed a cuppa and chat to finish the week off. Back to normal day next week. "Wednesday!"

Natter & Noggin will be **Pot Luck on Friday the 23rd** .
Keep cool.

Cheers Dale

Motorcycle Report

The year kicked off with the first of the Wednesday night rides out to the Onamalutu domain, thanks to Ben and Tracey for going to the effort of organising the BBQ and associated eats.

Finally, we managed to get some decent weather for the Sunday run to the Trout, (Hotel) Twelve bikes and a couple of car loads took advantage of the fine day. Giles and Wendy rode in from Havelock to make a decent ride of it for themselves with the bikes hardly having time to cool before heading back again. Early on we were reminded of the old adage that “they are all out there to get us” when a plonker (can’t say what we really thought of him) in his Range Rover decided that giving way to a motorcycle on a one-way bridge is actually optional even if the motorcycle is already on the bridge and has the right of way, he even had the audacity to look pissed off at having to stop and let us squeeze past. We guess his day was further ruined when he roared off at speed attracting the attention of a grey Skoda going the other way which promptly did a u turn and chased him down the road.

Everyone made the Trout and appreciated the shade from the heat.

Would you believe it on the way home the same bloke as was nearly cleaned up at Hawkesbury, had a car pull out of the Queen Charlotte Drive on to the main road causing him and another bike and car to take evasive action, then further on seeing the Wairau bridge he must have breathed a sigh of relief at being nearly home only to have a camper van stop in the middle of the bridge put its hazard lights on so they could hop out and start taking photos of the river, and they wonder why motorcyclists get a bit paranoid.

We had a good turnout for Heritage Day, thanks to those that braved the heat for the day and brought their bikes along, there were a few highlights during the day, having Dave back amongst us was right up there and Dot saying she would have brought the Goldie over but it

was too hot for her in her leathers, got a chuckle, the happiest fella seen all day was a bloke from out Atkinson road way who used to have unbridled enthusiasm for Norton's, BSA and Matchless who when given the original number plate for of all things his Honda step thru project, looked like he had won lotto!. He will be welcomed to the dark side by us other Honda owners but may have to temper his newly found enthusiasm at home.

I have been contacted by John Welch who is running the jampot rally here on Saturday the 2nd of March and is looking for a couple of marshals for the day, if anybody would be interested to help contact John on 022 067 9688 or 573 7901, thanks
